The Highland is a treasury of golden memories, seeking to recapture all the never-to-be-forgotten experiences of this school year. It relives the fun at dances, the tensions at ballgames, the hard times of term papers and exams, and the everyday friendships throughout the year.

As you read this yearbook and remember all the events of the school year '66-'67 at Luray High School, you will realize that truly these "Memories Are Forever."

A SATISFIED GROUP

Throughout the year, teams representing Luray High School, play games of the highest caliber and with great sportsmanship. The football team played some fine games that were lost by only a few points, while the basketball team captured the State Championship. Baseball featured good pitching, backed by a strong defense, while a track team was formed for the first time in two years. The year was a great one, not only for the players, but also for the fans, and we would like to congratulate them on their showing.
